

Access to Contraception – Additional information.

To complete your project's entry onto the Digital Marketplace information space, we are asking applicants to please submit the following supplementary information via email to [innovation.salfordccg@nhs.net](mailto:innovation.salfordccg@nhs.net) no later than 5pm Tuesday 20<sup>th</sup> September 2022:

- You may submit a **maximum of 2** supplementary documents that you would like to be considered alongside your bid, which give further information or context to your proposal (for example evidence, reports, demonstrations, presentation slides, brochure/leaflets etc). Please note these documents must be in PDF format.

At this point in time there are no additional documents to support the application.

- You may submit **1 video link** (no more than 5 minutes), **or** an image, which can be embedded alongside your uploaded documents in the digital space to give further information or context to your proposal (for example, to introduce the organisation/team and 'give a face to the project', to illustrate your intervention, to provide a demonstration of a technology or system etc.)

The bid writers

Tim Rumley – Senior Youth Work Manager (and prev Teenage Pregnancy Co-ordinator Salford 2008-2010) has a good understanding of teenage pregnancy

Diane Kinsella – Designated Nurse, Safeguarding Children and Cared for Children (Salford) - Diane has a good understanding of the 0-19 Service and primary care.

The application is a partnership approach to ensure a cohort of vulnerable young people can get access to contraception
