

GREATER MANCHESTER

YOUTH HEALTH AGREEMENT

What you should expect from your health care services

The places and spaces I get care and support feel **safe, welcoming** and are **accessible**.

I can access care and support **when** and **where I need it**.

I am **not treated unfairly** because of my physical or mental illness.

My views are **respected** and **valued**, and I know that my information is kept confidential.

And there's more!

Scan the QR code for more info and to see the full list of what you should expect from health services across Greater Manchester.
