1 Introduction

1.1 Background

- i. NHS Greater Manchester Integrated Care Board (ICB) is part of the Greater Manchester Health and Care Partnership. This constitution builds on the Memorandum of Understanding (MOU) agreed between all local authority members of the Association of Greater Manchester Authorities (AGMA) and all Greater Manchester Clinical Commissioning Groups (CCGs) (together known as GM) with NHSE as part of the devolution of health and social care responsibilities to the accountable, statutory organisations in Greater Manchester in 2016.
- ii. The Integrated Care Board will work to deliver the strategy set by our Integrated Care Partnership (ICP). It will support the ten place-based partnerships in Greater Manchester (Bolton, Bury, Heywood Middleton and Rochdale, Manchester, Oldham, Tameside, Trafford, Salford, Stockport and Wigan) as part of a well-established way of working to meet the diverse needs of our citizens and communities.
- iii. The core purposes of the GM ICS are:
 - a) to improve outcomes in population health and healthcare
 - b) to tackle inequalities in outcomes, experience and access
 - c) to enhance productivity and value for money
 - d) to help the NHS support broader social and economic development.
- iv. The GM ICB will use its resources and powers to achieve demonstrable progress on these aims, collaborating to tackle complex challenges, including:
 - improving the health of children and young people
 - supporting people to stay well and independent
 - acting sooner to help those with preventable conditions
 - supporting those with long-term conditions or mental health issues
 - caring for those with multiple needs as populations age
 - getting the best from collective resources so people get care as quickly as possible.

1.2 Name

- 1.2.1 The name of this Integrated Care Board is NHS Greater Manchester (“the ICB”).

1.3 Area covered by the Integrated Care Board

1.4 Statutory Framework

- 1.4.1 The ICB is established by order made by NHS England under powers in the 2006 Act.
- 1.4.2 The ICB is a statutory body with the general function of arranging for the provision of services for the purposes of the health service in England and is an NHS body for the purposes of the 2006 Act.
- 1.4.3 The main powers and duties of the ICB to commission certain health services are set out in sections 3 and 3A of the 2006 Act. These provisions are supplemented by other statutory powers and duties that apply to ICBs, as well as by regulations and directions (including, but not limited to, those made under the 2006 Act).
- 1.4.4 In accordance with section 14Z25(5) of, and paragraph 1 of Schedule 1B to, the 2006 Act the ICB must have a constitution, which must comply with the requirements set out in that Schedule. - 1.4.5 The ICB must act in a way that is consistent with its statutory functions, both powers and duties. Many of these statutory functions are set out in the 2006 Act but there are also other specific pieces of legislation that apply to ICBs. Examples include, but are not limited to, the Equality Act 2010 and the Children Acts. Some of the statutory functions that apply to ICBs take the form of general statutory duties, which the ICB must comply with when exercising its functions. These duties include but are not limited to:

 - b) Exercising its functions effectively, efficiently and economically (section 14Z33 of the 2006 Act).

 - g) Provisions of the Civil Contingencies Act 2004.
- 1.4.6 The ICB is subject to an annual assessment of its performance by NHS England which is also required to publish a report containing a summary of the results of its assessment.
- 1.4.7 The performance assessment will assess how well the ICB has discharged its functions during that year and will, in particular, include an assessment of how well it has discharged its duties under:
- a) section 14Z34 (improvement in quality of services)
 - b) section 14Z35 (reducing inequalities)
